Environmental Sci/Geology industries to explore...

- Atmospheric sciences
- Ecology
- Environmental chemistry
- Geosciences
- Environmental Geology
- Engineering Geology
- Petroleum Geology and Economic Geology
- Field Geology

- Science Writing and Editing
- Environmental Law
- Natural hazards
- Natural resources
- Sedimentology
- Unconventional energy
- Renewable energy

Environmental Sci/Geology Career search terms:

“Careers in _____”

“Most satisfying jobs/careers in Environmental Sci/Geology”

“Growing Environmental Sci/Geology fields”

“Environmental Sci/Geology internships in California”

“Environmental Sci/Geology research opportunities”

“Environmental Sci/Geology graduate school programs”

“Environmental Sci/Geology skill competencies”

“Environmental Sci/Geology major skills”

“Skills for Environmental Sci/Geology careers”

Environmental Sci/Geology Career Examples:

- Environmental Consultant.
- Environmental Educator.
- Public Relations Specialist.
- Environmental Attorney.
- Environmental Engineer.
- Sustainability Specialist.
- Fundraiser.
- Policy Analyst.
- Geologist
- Hydrogeologist
- Marine Biologist
- Petroleum Biologist
- Ecologist
- Engineering geologist.
- Geophysicist/field seismologist.
- Geoscientist.

- Seismic interpreter
- Environmental Lawyer
- Teacher
- Environmental Engineer
- Field Assistant
- Surveyor
- Environmental Consultant
- Mineralogists
- Stratigraphers
- Oceanographers

Career Search Websites:

Occupational Outlook Handbook:
<https://www.bls.gov/ooh/>

ONET.org
 (tool for career exploration, job analysis, includes detailed descriptions)

LinkedIn.com
 (Create your professional identity, build professional network, access opportunities)

Apply for Jobs:

Indeed.com
 SimplyHired.com
 Glassdoor.com
 Ziprecruiter.com

Career To-Do List:

- Search career interests (online)
- Meet with Career Counselor (SDSU career services)
- Access online career-related information (LinkedIn, ONET, Occupational Outlook Handbook)
- Explore majors/careers with your faculty advisor and professors (Success Center-GMCS 429)
- Explore graduate school options
- Get involved in an on-campus club or organization (SDSU Student Organizations)
- Volunteer for projects that interest you (Career Services)
- Obtain an internship to explore career choices and gain experience (Career Services)
- Network with professionals, including alumni, to expand opportunities

- Connect with mentors to learn about careers (Aztec Mentor Program)
- Write effective resumés and cover letters (Career Services)
- Attend a workshop/training to build academic/professional skills (SDSU Event Calendar)
- Create informational interview questions to ask working professionals: email them your questions and/or meet in person

On-Campus SDSU Resources:

SDSU Career Services:

http://career.sdsu.edu/student_affairs/career/
 Offers: Internship information, Mentor connections, Resume critiques, Mock interviews, Assessment tools, Event information, Professional contacts, and more!
 Phone: (619) 594-6851
 Email: careerservices@mail.sdsu.edu
 Campus Location: Student Services East (SSE) 1200

Appointments: available 9 AM - 3 PM, at least 24 hours in advance. Call or come in to schedule.

Walk-ins (15-minutes, no appointment needed):
 Mon - Thu, 1 - 2:45 PM
 Fri, 10 - 11:45 AM

Aztec Career Connection:

http://go.sdsu.edu/student_affairs/career/azteccareerconnection.aspx
 (Online access to a huge variety of jobs, assessment tools, internships, interviews, & more)

Internship Central:

https://newscenter.sdsu.edu/student_affairs/career/internships-students.aspx
 (internship toolkit, internship searching, workshops, internship contacts)
