

IMPACT OUR FUTURE WHILE ADVANCING YOUR OWN

Looking to make a life-changing difference in the world? Ready to give your career a big head start? UCan with the UCLA Health Administrative Fellowship. Under the direction of Richard Azar, UCLA Health's Chief Operating Officer, this one-year, project-based program provides executive-level exposure to the operations of a world-renowned academic medical center and health system and U.S. News & World Report's #1 hospital in California!
