How to search for an internship on

ii handshake

Prep: If you haven't already done so, log in and complete your profile on SDSU Handshake. https://sacd.sdsu.edu/career/students/job-search-resources/handshake Using your major, academic level (Junior, Senior, etc.) and experience, Handshake will be able to customize a list of possible internships tailored to your specifications.

1. To search for a paid internship, (SDSU CoS does not support unpaid internships), log in to Handshake https://sacd.sdsu.edu/career/students/job-search-resources/handshake .

2. Click the **red** `Login to Handshake` bubble.

3. Select **JOBS** in top LEFT **corner** of screen.

4. Look for the bubbles at the top center of the screen and **select "INTERNSHIPS"**

5. Select **LOCATION** bubble if there's a city and state you prefer.

6. Select **ALL FILTERS**

7. Select **PAID ROLES ONLY**

8**.** There are 3 main categories of internships which may be of interest. **PHARMA/BIOTECH, TECHNOLOGY SERVICES** and **HEALTHCARE**. Check subcategories of interest**.** ___*Environmental Sciences majors,*___ **scroll** down to OTHER and consider checking **ANIMAL/WILDLIFE, ENVIRONMENTAL SERVICES, and/or RESEARCH.**

9. **Additional filter possibilities**: Consider Major, Part time/Full Time/Employer and more. Keep in mind that the more filters you select, the smaller your list of results will be; sometimes it may be better to cast a wider net by **not** selecting additional filters.

10. **That's it! A list of corresponding internship titles will** appear on the left side of the screen that correspond with your desired parameters, with names of Company and City and State.
