Join the Global Education Office for this hour-long info session highlighting international opportunities for College of Sciences students. During this presentation, you will:

- Learn about the benefits of participating in an international experience at SDSU
- Find out what your next steps will be
- Discover opportunities for College of Sciences students to go abroad
- Hear from program representatives

After the event, head to the International Student Center to visit the Global Education Office's Open House from 3-4:30 pm. You will have the opportunity to learn more about the programs highlighted during the info session and speak with representatives from those programs.
